

From the Palate to the Heart.

At first it arouses your curiosity.
Then it seduces and surprises you.
In the end it wins over your heart.

Our menu embodies our passion for food,
it is made of love and falling in love,
which we want to share with you.

It is the pleasure of knowing, together,
that eating is a true joy for the palate,
and also, a matter of love.

Tasting Menu

Our tasting menu is served for the entire table
